Mission Hills Community -

Come join the Event Team from the **Suja Rock 'n' Roll San Diego Marathon and 1/2 Marathon** for our Mission Hills Town Hall Meeting! We have new changes to our 2016 marathon course that we are very excited to share with your neighborhood.

In an effort to showcase the most beautiful and historic neighborhoods of San Diego to our runners, **our marathon course will now run through Mission Hills on Sunday, June 5, 2016.**

At our Town Hall meeting, we will be thoroughly reviewing the new course, street closures, no parking, vehicle access plans, and community notification we have in place for the Mission Hills residents. In addition, we are looking forward to discussing fun and exciting ways your neighborhood and businesses can get involved in the race!
